Subjects: *Top Ten Reviews* Site Lists **Goodman** as “Best Value”

Top Ten Reviews™, an organization that provides comprehensive product reviews on the web, recently published “[The Best Central Air Conditioning Units of 2019](#).” The **Goodman** brand was recognized as *Top Ten Reviews*’ Best Value.

According to *Top Ten Reviews*, ten manufacturers and 98 different models were evaluated. “We compiled an overview of the best specs and features each brand has to offer, including energy efficiency ratings, noise output, and limited warranty.” Goodman was determined to be the ‘Best Value’ because certain models come with a lifetime compressor limited warranty.* “This lifetime warranty is noteworthy because most other manufacturers only cover their equipment for one or two decades at most,” said *Top Ten Reviews*.
